wider fit

The wider fit respects the natural shape of the foot and allows freedom of movement.

interchangeable insole

2 thin, removable and washable insoles, a transition one, with 3mm drop and another zero drop for greater sensitivity and physical awareness of the body.

thin and flexible sole

The sole is extremely flexible and lightweight, with zero heel elevation for a more natural gait.

non-slip sole

Non-slip sole for safe walking and maximum ground contact.

ultra-lightweight

Crafted from very light materials to replicate the sensation of walking barefoot.

toe freedom

Wide, ergonomic toe box that allows maximum freedom of movement between the toes.
